Cuoremani SS 24

Passione, creatività e impegno guidano ogni giorno le mani, i cuori e le menti delle donne e degli uomini di Topp Italia. Sono persone appassionate ed esperte che ereditano e portano avanti le competenze e la tradizione manifatturiera italiana. L'abilità creativa è legata ai movimenti delle loro mani, abituate a tagliare, cucire e confezionare ogni tipo di tessuto, anche il più impegnativo e particolare. Tutto viene trasformato ed ogni minimo dettaglio è verificato con cura in modo da diventare nastri e passamanerie da posizionare su abiti e accessori, su calzature e pelletteria, su biancheria e arredamento dei più importanti brand del mondo.

Passion, creativity and energy drive the hands, hearts and minds of the women and men of Topp Italia, every day. They are passionate and expert people who inherit and carry on the skills and the Italian manufacturing tradition. The creative ability is linked to the movements of their hands, expert in cutting and sewing any type of fabric, even the most particular to manage. Everything is transformed and every detail is carefully checked in order to become tapes, ribbons and trimmings to be placed on clothes and accessories, on footwear and leather goods, on linen and furnishings of the most important brands in the world.
